Re: Greece is Waiting you!

Szia Áron!

26-án és 27-én írtam az aron@meder.hu E-mailra két levelet neked. Most itt regisztráltam. Valamelyik biztosan aktív.

Javasoltam a freki változtatást, mert a kerek számú frekiket könnyebben elfoglalják. 14293 elsődleges, ha az foglalt akkor 14287kHz. Ha be tudnál szerezni egy Morse billentyűt, akkor az sokat segítene gyenge terjedés esetén. Vételi oldalon a hallásküszöb CW-ben sokkal jobb. Most már jónak tűnik a 13.00 UTC. Remélem, hogy sikerül a RIG-et használhatóvá tenni. A szekstánsodat is simogasd, még szükséged lehet rá! 73! Jó szelet! HA7RW Laci Wagner.

For those who can't understand Greek: "Please write in English here"

Dear Zex,

It took me a time to find out what does that mean :-)
Please don't be angry on the people who sometimes write to the English Messages in Hungarian, they just do that by mistake...

I hope you will have possibility to drink a beer (sör :-) with Aron in Koper, or on the sea somewhere near Pula (Aron perhaps won't enter in Croatia due to quite high registration fee).

Best regards,
Istvan Meder

ps: By the way, last week we brought a sailing boat from Primosten to Koper and we've stopped in Pula for a night...

Re: Greece is Waiting you!

Dear Takis,

(I'm not the real Admin, that is QSpi, I'm just Aron's father...)

We (when Aron was quite a young boy) started to sail in Greece.
Even before that, we spent some weeks in Greece, especially near the sea,

(but of course we visited Meteora and many other famous places).
We have faced the biggest storms (Meltemi) and havarias (damage to ship) there.
We have also dived several times in Greece.
So, Grece is one of our favorite country, and we like the Greek peoples...

I'm sure, that for Aron will be a same honor to meet you,
and that would happen if the circumstances would let him.
I suppose, he will hit Crete, Peloponnesus and Corfu, so you will have chance to meet.

Have a nice evening, fair winds for the season,
Istvan Meder

Re: Greece is Waiting you!

Hi meder!
I'm not angry, on the contrary! I was just fooling around language (it does not even know a word of Greek - this was the automatic translation 😊).
Impatiently waiting for each new report of Aaron, and his return to the Koper. If my ship is ready by then i will probably be his escort on the route from Pula - Koper, of course, if he allows it.
Regarding your recent stay in Pula, where you are dropping anchor when you stayed here? Next time you announce you are coming, i'd love to meet you. Just send mail to plavironhill@gmail.com
